Plumbing Plans

- Plumbing plans must be drawn by a registered mechanical engineer or master plumber and plans must be submitted to the Minnesota Department of Labor and Industry for review and a permit application shall be obtained by the City of Savage
- Plumbing plans must be sent to the Metropolitan Council Environment Services (MCES) to determine Sewer Availability Charge (SAC)
- Restaurants in Minnesota must be licensed by the Minnesota Department of Health
- The Department of Health and Minnesota Department of Agriculture must approve plans for grocery stores, delicatessens, butcher stores, bakeries, and convenience stores.
- Minor plumbing remodels will be at the discretion of the City of Savage Building Official
